

Prescott District Soccer – CoronaVirus Announcement

Parents and Soccer Players

The Prescott and District Soccer Association is sad to announce that the 2020 Soccer Season is cancelled.

We had hoped to be able to provide part of our program to the many area children who rely on our Association as their summer event, but unfortunately, as this pandemic and its restrictions continues, the window of opportunity closes.

For those who registered at the March 14th registration (and after) we will be providing full refunds as follows:

- Those that provided cheques - these cheques were not deposited and will now be destroyed
- Those that paid through etransfer - an etransfer directly back into your account will occur this week
- Those that paid cash - a cheque will be issued and mailed this week

To our Sponsors, who we rely on and appreciate support, we will contact each of you by email.

Thank you to everyone that has supported PDSA through the years. We look forward to seeing you in the Spring of 2021.

If you have any questions please email us at soccerpdsa@gmail.com.

Stay strong. We are all in this together!!!!
