

Mission Statement

The Prescott and District Soccer Association has developed the following:

- We believe the primary focus of a successful soccer program will be the individual player and their families.
- We believe a primary focus of soccer coaches and teams will be the development of children as people first and players second.
- We believe individual player development will be the programs primary focus and team success a secondary but important goal.
- We believe the Prescott and District Soccer Association offers a youth program supporting the players, parents and coaches.
